WEDDING PLANNING

Say “I do” to a wedding that feels effortless and deeply personal. With thoughtful planning, elegant styling, and quiet attention to every detail, we gently bring your vision to life. From start to finish, we’re there to guide and support you, so you can slow down, enjoy the journey, and savour every moment of your day.

WEDDING ADMIN

We’ll handle all the nitty-gritty admin tasks - sending invites, tracking RSVPs, and organising menu selections - while you focus on the fun stuff, like picking out your wedding playlist and practicing your dance moves. Think of us as your backstage crew, ensuring your big day goes off without a hitch while you shine centre stage.

ON THE DAY CO-ORDINATION

Wedding co-ordination is about creating calm on one of the most meaningful days of your life. With experience, care and a steady presence, we oversee the flow of your day, managing the timeline, co-ordinating suppliers and quietly handling every detail as it unfolds.

Working behind the scenes, we ensure everything runs smoothly and seamlessly, allowing you to be fully present, relaxed, and free to enjoy every moment of your wedding day.

Our on-the-day wedding co-ordination is available in three tailored packages to suit your celebration and support needs.
